

Caring For California's Children: Preparing for Mental Health Consequences in Time of Crisis

An online course

This course is sponsored by the California Department of Health Services and Children's Medical Services in collaboration with the UCLA – RAND NIMH Center for Research on Quality in Managed Care

For: Pediatric Primary Care Providers *and* their office staff

Course Description: The course introduces providers to critical elements of disasters that impact child mental health, and includes assessment and intervention strategies, with online resources for preparedness.

Overall Course objective: To provide pediatric primary care providers and their office staff with resources and tools to assess and address the mental health needs of children in the event of a large scale disaster or bioterrorism event, using a curriculum based on scientific evidence and expert clinical judgment.

Target Audience: Pediatric Primary Care Providers and their office staff (medical and non-medical) in the state of California.

Availability: Spring, 2007

Accreditation: The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this educational activity for a maximum of 2 *AMA PRA Category 1 Credits*TM.
